

Wine Club Offering April 2016

Grenache Noir 2014

We present you with our maiden vintage Bushvine Grenache Noir 2014! To date, this is the only Grenache produced from the famed Banghoek Valley.

During barrel tastings with Adrian and Philip, the team decided that the Grenache Noir was too good not to bottle. We are delighted to showcase the diversity of the Oldenburg Vineyards terroir, as well as the superior quality of our terroir to grow both Bordeaux and Rhone varietals.

Cabernet Franc 2013

April also marks the release of our 2013 Cabernet Franc. The ever popular varietal is primarily for our Bordeaux Blend, Rhodium. However, increasing demand for this wine as single varietal dictates we bottle as much as possible. Fortunately, both 2015 & 2016 harvests showed an increase in tonnage harvested from this one-hectare block.

Philip, our MD, and Winemaker, describes the wine as follows:

“Spice, savoury notes, and cool-climate fruit define the nose, with hardly a trace of oak. On the palate, the wine shows finesse and elegance with integrated, dry tannins, an attractive saltiness, and crisp minerality. A well defined, medium bodied wine with great class.”
